Rafael Quevedo specializes in development, financing and construction of infrastructure projects, negotiation of power supply agreements, project finance, mergers and acquisitions, capital markets, corporate and contractual due diligence and corporate, transactional and energy law in general. Rafael focuses his practice on corporate counseling for public and private companies, with a particular emphasis on transactions in the energy sector and construction industry. Rafael also has experience in regulatory compliance with stock market requirements in Mexico and the USA, as well as in corporate transactions related to the incorporation of companies, domestic and cross-border mergers and acquisitions, joint ventures, corporate governance and all types of corporate matters.
